

Campaign Expense Spending Limits by Electoral District for the 2022 General Election
Final Spending Limits

The total campaign expenses incurred by a registered candidate's campaign, its registered constituency association, and anyone acting on behalf of the candidate's campaign or constituency association during a campaign period must not exceed the amount determined by multiplying an indexed amount currently at \$1.40 by the number of electors in the candidate's electoral district.

In order to determine the limit on campaign expenses, the number of electors is defined as the greater of:

- the number of electors shown in the preliminary list of electors (the PEC) provided to candidates; and
- the number of electors entitled to vote as determined by the CEO after polling day (the FEC).

* For registered candidates in the electoral districts of Algoma-Manitoulin, Kenora-Rainy River, Kiiwetinoong, Mushkegowuk-James Bay, Nickel Belt, Thunder Bay-Atikokan, Thunder Bay-Superior North and Timiskaming-Cochrane, the amount of the joint campaign expense limit is increased by an indexed amount. The indexed amount is amended every year and is currently \$10,157.
